

FISCAL NOTE

SB 335 - HB 476

February 12, 1997

SUMMARY OF BILL: Allows a local education agency to place any student assigned to an alternative school in a charter alternative school established in accordance with regulations of the State Board of Education and operated by a private or not-for-profit entity which is designed to manage and educate students suspended or expelled from public schools.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - Not Significant

This estimate assumes some cost will be involved in the monitoring and program approval of these schools.

This estimate also assumes funds received by local education agencies for these students will be used to offset expense of placing such students in charter alternative schools.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
